

# ABOUT

Ingleside Baptist Church offers an introductory program for children called Mother's Morning Out.

Our Preschool Ministry understands how important the early years are in a child's life. We want to partner with parents to instill Christ-like characteristics.

Our team consists of people who are dedicated to serving the Lord through caring for young children. The program is intentionally designed to have small classes in order for the caregivers to develop relationships with each child.

**"MOTHER'S MORNING OUT** provides a great experience for preschoolers to begin building socialization skills. Parents and grandparents are able to have some free time knowing their child is in a safe place learning spiritually, socially, and emotionally."

Ginny Fillingim, Preschool Minister

## **"INGLESIDE'S MMO ENSURES**

a loving, Christian environment for younger preschoolers to interact socially with their peers, while providing their parents with the opportunity to accomplish many tasks."

Kathleen McDaniel, MMO Director
