As we partner with parents, we want students to own the responsibility of a daily walk with Christ, own the desire to make Jesus famous, and own their role in the church.

SUNDAYS

Sunday Morning Study is a Bible study for high school students and their friends at 9:40 a.m. We learn about relevant topics from a biblical perspective, interact with other students, and receive wise counsel from godly leaders.

We believe helping students develop gifts and abilities for the glory of God is both a privilege and a calling. There are a variety of student Worship Arts sessions that meet each Sunday from 4:00 - 6:00 p.m.

Crave is our large group, Sunday evening worship service from 6:15 - 7:30 p.m. It is a high-energy, student-led worship service for high school students and their friends. You will experience band-driven worship, games, and a biblical message from the High School Pastor. Doors open at 6:00 p.m.

WEDNESDAYS

Group is our small group ministry for high school students. Groups meet on Wednesday evenings from 6:30 - 7:30 p.m. There are plenty of options for high school students. We would love to see you in a group. Doors open at 6:00 p.m.
