- 29 Lift on Location

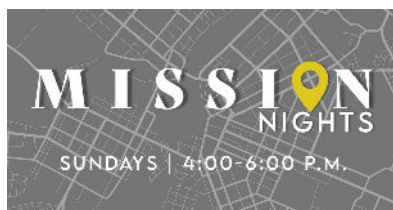

As we partner with parents, we emphasize the importance of helping middle school students commit to God's standards, God's people, and God's purposes.

SUNDAYS

Ignite is a gathering for middle school students and their friends at 9:40 a.m. on Sundays. We meet together for games and a time of teaching before breaking out into groups for discussion.

Mission Night occurs one Sunday night a month during the school year. We go into the community to serve and tell others about Jesus. We meet in The Basement at 4:00 p.m. and return by 6:00 p.m.

We believe helping students develop gifts and abilities for the glory of God is both a privilege and a calling. There are a variety of student Worship Arts sessions that meet each Sunday from 4:00 - 6:00 p.m.

WEDNESDAYS

Lift is our small group ministry for 6th, 7th, and 8th grade students that meets on Wednesdays, 6:30-7:30 p.m. during the school year. Doors open at 6:00 p.m. Join us during summer for Lift on Location fellowships both on and off campus.
