

# HSM PERU MISSION TRIP

---

---

July 6-13, 2024

Peru is a reached nation according to the IMB and Joshua Project. According to the World Factbook, Peru is 60% Catholic and 11.1% Evangelical. This means that evangelicals are still a minority in Peru. However, there are national churches we can partner with. Furthermore, we will be in Lima, which has one-third of the total population of Peru. Lima has tremendous influence in Peru and is a strategic place to do ministry.
