

6

WAYS TO UNLOCK YOUR GIVING POTENTIAL

Did you know there are ways to support your church or favorite ministry beyond simple cash gifts? Explore these six expanded opportunities to support your Kingdom vision.

Join leaders from the Georgia Baptist Foundation for a Planned Giving class on **Sunday, October 25, at 4:00 p.m. in W-200**. This is a free class, and registration is not required.

STOCKS/MUTUAL FUNDS

Transform your appreciated stocks and mutual funds into Kingdom impact! By donating these assets directly to charity, you may avoid capital gains tax and receive a charitable tax deduction for the full market value. It's a tax-smart way to maximize your charitable giving.

RETIREMENT ASSETS

Make your retirement accounts work harder for Kingdom purposes. Use a Qualified Charitable Distribution (QCD) from your IRA to reduce taxable income and satisfy your Required Minimum Distribution (RMD). 401(k) and 403(b) charitable giving opportunities are available too.

TIMBERLAND RESOURCES

Transform your timber property into Kingdom impact by donating proceeds from timber harvests, thinning operations, hunting leases, or pine straw sales. It's a unique way to steward your land's resources for eternal purposes.

BUSINESS INTEREST

Create a legacy of impact by including charitable giving in your transition strategy. A well-structured business gift can provide significant tax benefits while advancing Kingdom work for generations.

DONOR ADVISED FUND

A Donor Advised Fund lets you grow your charitable giving tax-free. Contribute assets now for immediate tax benefits, then recommend grant funds to charities at your own pace. It's like a charitable savings account that simplifies giving and maximizes impact.

LEGACY PLANNED GIFTS

Want to create lasting Kingdom impact? Add eternal significance to your estate plans through a bequest, charitable trust, or gift annuity. You may also enjoy reliable income during your lifetime while knowing your legacy will advance God's work for generations to come.
